

Fish Health Technician

Located along the beautiful coastal waters of Vancouver Island, Cermaq Canada Ltd. is a salmon farming company focused on operational excellence. With our skilled team, we strive for a high-quality product achieved through sustainable aquaculture practices. Our award-winning safety culture and opportunities to develop and grow within the company makes Cermaq a great place to build a career.

Cermaq Canada is seeking to fill the position of a full-time Fish Health Technician within the Fish Health Department. As a Fish Health Technician, you will report directly to the Fish Health Manager. The key function of this role will be to provide operational support to the Fish Health Manager and the Boot Lagoon Hatchery based out of Port Alberni, BC.

In addition to hatchery-based accountabilities which include monitoring and reporting on fish health issues, implementing control measures, and advising management on environmental and biological aspects of the hatchery operations, the successful candidate must also be capable of supporting other Fish Health department projects, initiatives and/or work assignments.

Application requirements:

- Ability to work independently and in collaboration with others
- Experience in the aquaculture industry with a preference for salmon production
- Safety-oriented mindset
- Proficient MS Word, MS Excel, and technical report writing skills
- This is a full-time position based out of our Boot Lagoon Hatchery and works a Tuesday-Saturday shift with the possibility of turning into a Monday-Friday shift
- Preference will be given to candidates with either post-secondary aquaculture education or an equivalent combination of education and/or related work experience

Special requirements:

- Prerequisites to hiring include a physical fitness test, a criminal record check, and reference checks
- Only applicants who are legally allowed to work in Canada will be considered

Your Reward:

- A competitive salary and a corporate bonus program
- Company benefits are available immediately during Covid-19 restrictions

If your qualifications meet the application requirements and you would like to apply for this opportunity, please forward your resume and cover letter in person, by fax, or by e-mail, stating "Fish Health Technician" in the subject line before **Wednesday, September 23, 2020** to: Office: 203-919 Island Highway, Campbell River | Fax: 250-286-0042 | E-mail: careers.canada@cermaq.com

Cermaq Canada is an equal opportunities employer who provides a workplace that is free of discrimination.

Cermaq Canada has a progressive view of reconciliation with Indigenous peoples. Although wholly committed to hire the best candidate available, we strongly encourage applications from Indigenous peoples for this role.

We would like to thank all applicants for their interest; however only those candidates selected for an interview will be contacted.
